

2022 ADIA Awards

Sustainability Program

What does this award recognise?

This category recognises an ADIA member organisation's commitment and contribution to the environment.

Who can enter this award?

Open to all ADIA members that:

- Meet the above conditions
- Can demonstrate in their submission sustainability measures between 1 July 2020 and 30 June 2021.

Background information

Please start your award submission with the following information:

- Name of member (a company)
- Name of contact person for this entry

AWARD SUBMISSION QUESTIONS

SECTION 1: OVERVIEW

- a. Provide an overview of your organisation – its history, location, service area, staff size and major milestones. (Maximum 20,000 characters. This question is NOT scored, but it will provide judges with important background information.)
- b. Provide your organisation's mission and vision statements. (Maximum 12,500 characters. This question is NOT scored but will be referred to during assessment of other responses.)

SECTION 2: INTENT

- a. Outline your organisation's approach to responsible environmental care and management, including any manuals, plans or specific environmental policies in place. (Maximum 20,000 characters. How much is this answer worth? 8%.)
- b. How do you ensure staff adhere to the environmental care initiatives you have in place? (Maximum 20,000 characters. How much is this answer worth? 8%.)

Section 3: COMMITMENT and ACTION

- a. Outline your environmental care measures during the period 1 July 2020 to 30 June 2021. This could include the areas of energy efficiency, extended product responsibility, green product design, waste reduction, sustainable business practices and / or water conservation. Important: Include major targets that you set before the period started. (Maximum 25,000 characters.. How much is this answer worth? 12%.)
- b. In reference to your response to the above question, how have you performed against each target? (Maximum 25,000 characters. How much is this answer worth? 12%.)
- c. Detail the time and funds that your organisation has invested in improving your contribution to environmental care and management during the 12-month qualifying period. (Maximum 22,500 characters. How much is this answer worth? 10%.)
- d. Outline your most impressive environmental initiative or project launched in the past 12 months, including the issue you were looking to address and specific targets that you were looking to achieve. This could relate to energy efficiency, extended product responsibility, green product design, waste reduction, sustainable business practices and / or water conservation. (Maximum 25,000 characters. How much is this answer worth? 12%.)

- e. In reference to your response to the above question, how did you identify this initiative or project as “worthy”? (Maximum 22,500 characters.. How much is this answer worth? 10%.)
- f. With reference to your previous response, detail exactly what you have achieved to date and how this compares to your projections and targets. Be specific and provide comparative projected versus actual data where possible. (Maximum 25,000 characters. How much is this answer worth? 12%.)

SECTION 4: COMMUNICATION

- a. How does this environmental commitment benefit your business? (Maximum 20,000 characters. How much is this answer worth? 8%.)
- b. Outline how you communicate this commitment to your staff, customers and suppliers. (Maximum 20,000 characters. How much is this answer worth? 8%.)
